

U.S. 93 Blue Lakes Boulevard, Falls to Pole Line

Weekly Construction Update – March 16, 2009

Crews continue to work on first stage of storm water sewer pipe installation near the canyon rim at the visitor center. Trenching work will continue from canyon rim toward Fillmore Street on the west side of Blue Lakes Boulevard.

Visitor center will remain closed. No alterations to normal flow of traffic expected this week.

Trenching will continue move south into Blue Lakes Boulevard near Fillmore Street and work toward Pole Line Road near the end of March.

ITD and the Idaho State Police caution motorists to slow down and pay attention when driving in work zones, where increased speeding fines and other penalties apply. Motorists are encouraged to plan ahead and dial 5-1-1 or visit 511.idaho.gov for information on the state highway or interstate system.
